## From the Pastor's Desk

Dear Brothers and Sisters,

Grace, mercy, and peace to you in the name of our Lord and Savior Jesus Christ.

In Genesis 1:27 we read these familiar words

<sup>27</sup>So God created mankind in his own image,

in the image of God he created them; male and female he created them.

Andrea often tells the story of her entrance into a male-dominated profession, that of funeral director. While her father, the founder of their funeral home, was serving in the Illinois State legislature, she, a recent college graduate, ran the business. Comments from colleagues were not flattering and there was very little encouragement forthcoming. The prediction was that she would run the business into the ground. Now, some forty years later, she is president and owner of Brookins Funeral Home, a business that celebrated, albeit lowkey, 50 years of service last year.

It is unfortunate that Andrea's story is not an anomaly. Throughout history, the stories of women tell of discrimination, misogyny, harassment, and abuse because of the failure of men to acknowledge God's placement of women in creation. The Church is not absent from that dark history, for it has (and still does in some places) engaged in its own hindrances of women and their causes. This leads us to March as Women's History Month.

The celebration of Women's History Month grew out of a weeklong celebration

of women's contributions to culture, history and society organized by the school district of Sonoma, California, in 1978. Presentations were given at dozens of schools, hundreds of students participated in a "Real Woman" essay contest and a parade was held in downtown Santa Rosa.

A few years later, the idea had caught on within communities, school districts and organizations across the country. In 1980, President Jimmy Carter issued the first presidential proclamation declaring the week of March 8 as National Women's History Week. The U.S. Congress followed suit the next year, passing a resolution establishing a national celebration. Six years later, the National Women's History Project successfully petitioned Congress to expand the event to the entire month of March.

As our nation celebrates the election and inauguration of our first woman Vice President, let us call to mind the shoulders of women upon whom she stands, many of them not notable but who simply reveled in their creation in God's image and who fought the evil, injustice, and oppression that came their way simply because of their gender. In this Women's History Month, let us call the role of women loudly enough so that their names are heard and acknowledged the other 11 months of the year.

Grace and Peace,  
Pastor Norval

## 20 Minutes With God Program

The Lenten Season is a wonderful opportunity to explore new disciplines, new ways of connecting with God. For a long time here at Cary UMC special programs were offered on Wednesday evenings to encourage living a more disciplined life. I know about that because I led some of those Wednesday evening programs before becoming your pastor. This year, I invite you to join me on Wednesday evenings from 6:10 – 6:30 to spend twenty minutes with God. We will be sharing some different ways to connect with God. It may be a simple liturgy of Evening Prayer or learning a new way to pray. It could be a short meditation or a Bible Study. Regardless of the format, it will be a mid-week 20-minute check-in. Have a candle to light to remind you/us of the presence of the Holy Spirit and of God keeping vigil over us through the night.

## Take Good Care of Yourself

Some of you might remember the old song which goes, “Take good care of yourself, you belong to me.” Some days when we are feeling low, maybe God is saying just that to us. The Bible tells us, “Come to me, all you who are weary and burdened and I will give you rest” Matthew 11:28 (NIV) we can be assured we are important to Him; therefore, it is important for us to take care of ourselves. We’ve been isolated, lonely, and afraid for our families and ourselves for such a long time. Even in isolation there are things that you can do to help when you feel down. First of all, remember you are never alone. Our Lord is always with us. Prayer is always available to you, if you need a little guidance, The Upper Room devotional is available at the church. If you are not able to pick it up yourself call the church and someone will bring it to you. You can call a friend and spend time chatting on the phone. As the weather gets nicer, take a walk outside, enjoy the sunshine. If you are unable to get out, open all your curtains and let the sunshine in. Physical activities are a good release and mind clearer. If you have a hobby, do it. Perhaps it’s time to start a new one. If you don’t have a hobby, then mop your kitchen floor, vacuum the carpet, or dust those knickknacks you’ve been avoiding.

Whatever you find to do, do it; busy hands make clearer minds. Don’t stay in bed ‘till noon or stay up all night watching TV. Avoid watching too much news; most of it is garbage anyway. The best thing you can do for yourself is to connect to others. Most of all, don’t keep all those negative, lonely, destructive feelings inside. If you don’t have anyone to connect to, you can call me. I am always ready to listen. God Bless you, Brothers and Sisters in Christ, and take good care of yourselves.

## The Easter Egg Hunt is Coming!!

On March 27, Nurture Team will be hosting our annual Easter Egg Hunt. To be ready for our "Egg-Hunters" we will need some smaller sized, individually wrapped candy donations for our plastic eggs. Candy donation bins will be in the narthex and office entrance sides of the church. We ask that all donations come in by the March 20, so there will be plenty of time to stuff the eggs. Thank you for helping make this event possible.

## In-Person Sunday School is happening again!!!

On February 21, we were happy to begin in-person Sunday school again. Sunday school begins at 9:45 and goes to 10:45. Youths attending 8:30 church service prior to Sunday School can go directly downstairs after service to the Wesley Wing, where we will sign them in for class. Parents of second grade and younger students are required to sign them in and out. Older students may sign themselves in and out. Youth not attending church prior to Sunday School are to enter in the lower west Wesley Wing doors to be checked in. \*\*Pre-K-Kindergarten class will be done in person with Ms. Chris, and Zoom class will continue with Ms. Debbie. Senior High Sunday school will continue on Zoom as well. Adult Sunday school students attending 8:30 church service also may go directly to their Sunday school class, where their instructors will take attendance. Adults not attending church prior to Sunday school will need to check in at the office end church doors, where they will have a temperature check and receive hand sanitizer. **All students are to wear their masks.** Anyone in quarantine for COVID or COVID-like symptoms or exposure to someone with COVID should not attend Sunday School until 14 days from the onset of symptoms or exposure.

\*\* The Wesley Sunday school class will continue to be held via Zoom.

## 4 Ways to Observe Lent

Lent is a season of focus and preparation. It aligns our hearts with God's heart as we approach Easter.

The following are just a few ways to focus and prepare.

### Give It Up

Consider giving up something that distracts from your important relationships: like too much time on Twitter or Clash of Clans.

Maybe cut out screen usage for several hours a day.

Take a day of true rest: let go of toil for 24 hours.

### Plug In

Consider adding in something that helps you connect to God.

Read a book of the Bible, a devotional, or practice Lectio Divina on a daily basis.

### Serve

Start a new routine of service.

Volunteer regularly as an academic mentor, step up to volunteer in a local church, or visit a nursing home.

### Share It

Make it a communal event.

Share your Lent practices with others via a small group and/or attending worship.
